DIRECTORY OF COMMUNITY RESOURCES

MANITOBA ADAPTED PHYSICAL ACTIVITY COUNCIL

2ND EDITION

DECEMBER, 1991

(Please feel free to duplicate and distribute to other interested individuals.)

This directory is offered as a resource to those requiring information on planning and developing adapted physical activity programs in Manitoba. The directory represents a partial listing of individuals who have an interest, a background or experience in adapted physical activity. The booklet was compiled by members of the Manitoba Adapted Physical Activity Council (MAPAC).

Manitoba delegates who attended the 1986 Jasper Talks, a National Symposium on Strategies for Change in Adapted Physical Activity in Canada, held a meeting in 1986 following their return from Jasper. Subsequently the Manitoba delegates invited others with an interest in adapted physical activity in order to discuss matters of mutual interest. MAPAC was formed in 1987.

MAPAC has identified some of the needs and priorities for adapted physical activity in Manitoba. There is a need for information on physical activity programs for persons with a disability, and those who work in adapted physical activity settings.

It is hoped that this directory will allow for increased communication among all those interested in adapted physical activity programs. Please contact the resource persons directly for specific information or to negotiate presentation topics and availability. If you are aware of additional resources please complete the form at the back of this booklet and forward it to the address listed below. The information presented herein is part of a computer data base which will be updated and disseminated on a regular basis.

Maureen Dowds

ACKNOWLEDGEMENTS

Manitoba Adapted Physical Activity Council (MAPAC) has been meeting over the past four (4) years. During this time the membership of the council has remained quite stable. Individuals who make up MAPAC, and have contributed to the development of this resource directory are:

Maureen Dowds, Manitoba Special Olympics
Dave Fitzpatrick, University of Winnipeg
Andrea Hamilton, The Winnipeg School Division #1
Dick LaPage, Manitoba Education and Training
Marilyn Van Walleghem, Physical Education
Karen Pirnie, City of Winnipeg, Parks and Recreation Department
Ian Craigon, River East School Division
Jennifer Mactavish, University of Manitoba
Maureen Orchard, Wheelchair Basketball

MAPAC would like to express its thanks to all those who have assisted in the production of this document. Specifically a note of thanks is extended to:

Curriculum Services Branch of Manitoba Education and Training for their financial assistance towards the production of this directory;

Lynn Bloom for inputting, formatting and typesetting the document;

HOW TO USE THE DIRECTORY

Individuals and organizations listed within the directory have been grouped into one of seven categories. Listed below are these seven categories with an explanation of what each encompasses. Individuals within each category are grouped together in this document in order to make it easier for the reader to locate pertinent information.

ADAPTED AQUATICS:	Any individual or group that provides a swimming program in either an integrated or special setting for persons with a disability
ADVOCACY AGENCY:	An organization that provides support to a specific group of persons with a disability. Their mandate is normally not related to physical activity
EDUCATION:	An individual who teaches within the elementary, secondary, or post-secondary system. These individuals may have direct contact with individuals with a disability, act as a resource, or instruct how to teach persons with a disability, in a physical activity or related setting
HOSPITAL:	Professionals who act as recreation therapists or activity workers who are responsible for programs within a hospital setting for persons with a disability
RECREATION:	Individuals working within community recreation who are responsible for special or integrated adapted programming
SENIORS:	Individuals who are concerned with providing information or programs for individuals who are elderly
SPORT GOVERNING BODIES:	Individuals within organizations which are responsible for overseeing a specific sport (e.g. basketball) or a sport organization dedicated to providing sport for persons with a disability (e.g. Manitoba Special Olympics)

ADAPTED

AQUATICS

1. Margaret Hill
